

## It's back. Beer Tasting & Networking

Plimsoll Mark Capital, Blue Heron Capital and Albin, Randall & Bennett, CPAs invite you to join us on December 4th for our late fall beer tasting event, designed to give professionals and business owners the opportunity to get away from the office and network with useful connections within the Greater Portland business community.

This time, we'll be back where it all began - at the all new Rising Tide Brewing Company tasting room. Sample Rising Tide's handcrafted small batch ales, including their winter seasonal, Ursa Minor, and a special release barrel aged beer, Hesperus (among others!) available just in time for this event. We'll also once again be joined by national music sensation **Travis James Humphrey**. There is no cost to attend and please RSVP by November 20th.
